9	Whether the structure is sound or not for conducting classes	The structure is sound for conducting classes under normal Kerala weather conditions.
1.The stability of the structure should be examined also with reference to location, altitude, intensity of wind exposure to flood etc.		
2.Any additional observations if deemed necessary for the certificate may be furnished separately with the certificate.		
Certificate the school was inspected by me on 19/05/2025.and found to be fit to conduct classes for a period up to March 2026 under normal Kerala weather conditions as per the reasons stated above
